3. Decide which intake (Spring or Fall) you intend to apply for.
4. Submit your application to INFONET Lab within the following pre-screening windows:
    a. Spring intake: July.23rd ~ Aug. 22nd.
    b. Fall intake: Feb. 1st ~ Feb. 28th.

6. If you show strong candidacy to our Lab, you will be granted a recommendation letter by Prof. Heung-No Lee which you can include in your admission application to the university.

Note: Acceptance into the INFONET Lab is **separate from** admission to GIST's International MS/PhD program. Admission decisions are made solely by the GIST Admissions Department and depend on available quota, eligibility criteria, and competition among international applicants. You must also satisfy all admissions requirements (e.g., apostilled documents, proof of English proficiency, police clearance certificate, and other documents required by GIST regulations). The details are available at **https://www.gist.ac.kr/iadm/main.html**.
